N. B. Gentlemen from the Country, are particularly desired to be present.

Charles-Town, August 30, 1770.

The General Committee acquaint the Public, That

William Stukes,

A NON-SUBSCRIBER,

Opposite to Mr. JACOB WARLEY, *Sadler, and Mr.* MICHAEL MUCKENFUSS's, *in* KING-STREET,

Having been called upon by the Gentlemen appointed at the General Meeting of the Inhabitants, at LIBERTY-TREE, on the 24th Instant, they report, "That they have not only represented to him the odious Light in which his Conduct appeared to the People, but also advised and admonished him; that they went farther, and used Intreaties: But that he obstinately and perversely refused to store or re-ship the four Hogsheads of Loaf-Sugar lately imported by him."

It is worthy of Notice, that the said *William Stukes*, is the only Non-Subscriber in Trade, that has thus imported contrary to the Sense of the People, since the *Resolutions* were first entered into—*which* forbid all Dealings with him by Subscribers.

Charles-Town, October 9th, 1770.

AT a Meeting of the Inhabitants on Wednesday the 3d Instant, at the House of Messrs. *Dillon & Gray*, it was RESOLVED, That the Planters, Merchants, and all others concerned, be desired not to load or unload (from and after this Date) any Produce, Goods, Wares or Merchandize, or in any Manner whatever, make Use of the Wharves belonging to the Hon. Colonel BEALE, himself and his Wharfinger being NON-SUBSCRIBERS.—It is expected that all Subscribers to the Resolutions, will pay due Regard to this Notice.

The GENERAL COMMITTEE

Give this Notice to the PUBLIC, That

Philip Tidyman,

JEWELLER, in BROAD-STREET,

A Subscriber to the GENERAL RESOLUTIONS,

HATH been detected importing, in a secret and clandestine Manner, and in direct Violation of his solemn Engagement, several Cases of Plate, Jewels, and other Goods, to a considerable Value, by the *Union*, Captain *Coombes*, from LONDON: And having been called before the Committee, on Saturday the 27th Instant, to answer for the same, instead of making an ample and ingenuous Confession of his Crime, he obstinately denied the Fact, until confronted by Capt. *Coombes*'s Mate, who declared he had delivered *three* Cases to Mr. *Tidyman* himself, more than were mentioned in the Ship's Manifest, or reported by the said *Tidyman* to the Committee. The said *Tidyman*, confronted with such Proof, promised to deliver up all his Invoices to the Committee; yet still endeavoured to conceal a considerable Part thereof; most of which has been since discovered, by such of his original Invoices as he at different Times produced. The Committee however, are persuaded that the said *Tidyman* has concealed *one* of the Cases, which, probably, may be the most valuable: And as, in the whole of this Affair, he has been guilty of the most flagrant Falsehood and Deceit, even so far as to produce a fictitious Letter, pretending, that certain Articles contained in the *six* Cases reported in the Manifest, were sent him as a Present, from a Kinsman in England; which since appear, by his own Invoice, to contain Merchandize, shipped by his Order, and for his Accompt.—The Committee therefore, at an extra Meeting, on Monday the 29th Instant, required the Attendance of Mr. *Tidyman*, in order to advise him to discover and reship the Whole of the Goods, which he had so treacherously imported:—But he not attending then, or at a subsequent Meeting, and absolutely refusing to appear, the Committee think it their Duty to publish the said *PHILIP TIDYMAN*, as an audacious and incorrigible Violator of the General Resolutions, deserving the Contempt of every good Man; and it is expected that no Subscriber will, hereafter, have any Dealings with him, unless he shall make full Atonement for his late base and perfidious Behaviour.

October 30th, 1770.

The GENERAL COMMITTEE

Give this public Notice,

THAT Capt. WILLIAM COOMBES, of the Ship UNION, has, under his Hand, acknowledged the CLANDESTINE Receipt and Delivery of SEVERAL Packages of Goods, for PHILIP TIDYMAN, as advertised by them the 30th past; declared his utmost Concern and Sorrow for having thus IMPRUDENTLY controverted the RESOLUTIONS of the Inhabitants of this Province; and SOLEMNLY promised NEVER to be guilty of the like AGAIN.

He at the same Time, and in the same Manner, declared, That if he ever did report, in *London*, or elsewhere (as had been alledged) that he HAD DISPOSED of SEVERAL GOODS to the INHABITANTS of *Charles-Town*, and EVEN to SOME of the COMMITTEE, last Voyage, that he MUST have said it WANTONLY; and that he DID NOT SELL a SINGLE Article to ANY Member of the Committee.

He hath also further *promised*, That some GOODS and a NEGRO, NOW IMPORTED by him, shall be CARRIED BACK in the said Ship, on her present Voyage.

November 13, 1770.

BOSTON, OCTOBER 13.

is generally feared, that a certain great Personage, not hundred miles from this metropolis, has lately intimated to a very respectable society, that a LARGE ROOM will be wanted, for the use of his Majesty's troops, who now garrison a certain fortress in America!

OCTOBER 15.

Sir Thomas Adams, late commander of the Boston, died on board the Romney, and on Monday was buried at Castle-William.

Yesterday morning sailed for England his Majesty's ship Romney, commodore Hood: He was saluted by all the men of war in the harbour, likewise by his Majesty's Castle-William.

OCTOBER 22.

The goods which have been stored in this town by the commissioners of inspection for some time past, were last week delivered out to their respective owners.

It is said the Rhode-Island people exult in that they have adhered to the non-importation agreement longer than any other colony on the continent, excepting South-Carolina.

NEW-YORK, OCTOBER 22.

Wednesday last departed this life, at West-Chester, in the 60th year of his age, Peter De Lancey, Esq.—He was brother to the late Hon. James De Lancey, Esq; Lieutenant-Governor of this province.

OCTOBER 25.

Wednesday sailed for London, the ship Dutchess of Gordon, Capt. Winn, with whom went passengers, Sir William Draper, his Lady, and family; Capt. Collins and his Lady; Mr. Lindley Murray, and Mr. John Doty; the latter of which goes for episcopal ordination.

The general assembly of Pennsylvania, now sitting, have appointed Benjamin Franklin, Esq; sole Agent for that province, at the court of Great-Britain, for the ensuing year.

BOSTON, OCTOBER 25.

A writer in the Pennsylvania Gazette, under the signature of PHILADELPHUS, in an address to the public, says, "The merchants [of Philadelphia] resolved to alter the agreement they had entered into among themselves, without consulting the other colonies. Gentlemen, the merchants had time and opportunity to inform their judgments and I firmly believe they determined, according to what appeared to them to be right. Who could controul? The Massachusetts government, and towns were well informed, had made large importations, contrary to the spirit and letter of their agreement; insomuch that we have reason to believe, they thereby greatly lessened the non-importation scheme, and were instrumental in procuring the repeal of the tea act, last session of parliament. Notwithstanding this, the letters and news-papers from that province strongly recommend to us an inviolable adherence to the non-importation agreement. Did this duplicity of conduct proceed from confidence or complaisance? Even had they stood firm in the agreement, OUR *situation* and *circumstances* might have rendered absolutely necessary for US to import, though theirs might make it so FOR THEM."

OCTOBER 29.

The superior court of judicature, court of assize, and general gaol delivery, met at the Court-house in this town, on Tuesday last, according to adjournment; and on Wednesday morning began the trial of Captain Preston, which was continued each day till Saturday afternoon, when the court adjourned to this morning eight o'clock, in order to proceed to the said trial; the jury (which consists of inhabitants of both town and country) has not been permitted to separate during all this time.

NOVEMBER 1.

Capt. Shand sailed for Providence a fortnight before Capt. Jarvis, with English goods; Capt. Hathaway was loading for Rhode-Island. Capt. Langdon, in a ship, was to sail for [illegible] Capt. Hall and Capt. Shenardson in three days after.

Capt. Burnell and Capt. Delano, were to sail directly after for Nantucket.

Three vessels were loaded and sailed for New-York, full of goods, in consequence of orders received upon the breaking up of the agreement of non-importation. Capt. Jenkins, in a sloop for this place, was taken up, to carry goods to New-York. It is thought if the demand in England for woollen goods is much larger, that they will rise greatly.

It is said in London that the demand of goods for New-York is so great, and the manufacturers so engaged to supply them, that if orders should arrive from Boston, the manufacturers could not furnish them until next spring.

We hear that the Hon. Brigadier Ruggles's commission, appointing him Surveyor of the woods in this province and Nova-Scotia, came in Hood.

In our last we mentioned, that at the superior court held here, on Wednesday began the trial of Capt. Thomas Preston, of the 29th regiment, who was indicted by the grand-jury in several indictments for the murder of Messrs. Gray, Maverick, and others, on the 5th of March last: The examination of evidences and the pleas were continued from Wednesday, each day (Sunday excepted) until Monday; when the Honourable Judges summed up the evidences, and gave the charges to the jury.—The jury went out about five o'clock, and it is said agreed by eight o'clock.—The court was adjourned till the next morning nine o'clock, at which time they brought in their verdict, "NOT GUILTY;" and Capt. Preston was dismissed.

On Thursday last the Hon. House of Representatives chose Dr. Benjamin Franklin, agent for the house. And Yesterday they made choice of Dr. Lee, of London, as agent in case of the death of Dr. Franklin.

ANNAPOLIS (in MARYLAND) *Nov.* 1.

In consequence of the following advertisement, which appeared in the Maryland Gazette, Numb. 1309.

"A meeting of the merchants of Baltimore Town, held at Mr. Little's, the 5th of October, 1770, Mr. JOHN SMITH, unanimously chosen Chairman.

On motion, the question was put, whether an advertisement should be published in the gazette, requesting a meeting of a general committee at Annapolis, the 25th instant, to judge of the expediency of continuing the association, under the particular circumstances of the Philadelphia merchants breaking theirs; and if such a meeting cannot be brought about, that in that case, the merchants of this town, will look upon the association dissolved, and go into a general importation, except Tea, and other dutiable goods? Resolved in the affirmative.

Signed by order of the meeting,

"JOHN SMITH, Chairman.

In consequence of the above resolution, a committee of Four Gentlemen was appointed to attend at Annapolis the 25th instant, to which place may be sent from the other counties."

Delegates from Queen Ann's, Talbot, and Dorchester counties, Gentlemen of the council, a considerable majority of the House of Delegates in assembly, several merchants of the city of Annapolis, and other gentlemen, from different counties of the province, met at the house of Mrs. Middleton, in Annapolis, on Monday, October, 1770.

JOHN GOLDSBOROUGH, in the Chair.

Jonathan Hudson (the only person attending from Baltimore-Town) produced the following written appointment.

"At a meeting of the merchants and traders of the town of Baltimore-Town, this 24th day of October, 1770. Messieurs *Jonathan Hudson, John M'Clure, John Merryman, jun.* and *John Ross*, or any of them, are appointed to meet the committee of the other counties, to *consider* of the expediency of CONTINUING or ALTERING the general association of this province.

Signed, by

JOHN SMITH,
WILLIAM LUX,
WILLIAM SMITH,
WILLIAM BUCHANAN,
SAMUEL PURVIENCE, Junior,
E. MACKIE."

Mr. *Hudson* then informed the meeting, "That he is instructed by the merchants and traders of Baltimore-Town, *who signed the appointment*, to acquaint the committee, that *they were determined to depart* from the non-importation agreement, and *import* every kind of goods from Great-Britain, such only excepted on which duties are, or hereafter may be imposed by the parliament of Great-Britain, *notwithstanding any resolutions of this meeting to the contrary*, and that HE was likewise instructed not to agree to *any other terms but to a dissolution of the association.*"

FIRST, *Resolved unanimously*, That it is the opinion of this meeting, that the British subjects in America have a constitutional exclusive right of taxing themselves in a legislative capacity.

SECOND, *Resolved unanimously*, That it is the opinion of this meeting, that the non-importation agreement was a necessary, prudent, and legal measure for obtaining redress of the aggrievances of America, and if generally adhered to, would interest the Merchants, Traders, and Manufacturers of Great-Britain, in obtaining a repeal of the unconstitutional revenue-acts; would be of great importance, in promoting frugality, industry, and manufactures among ourselves, and the most likely means to obtain the desired end.

THIRD, *Resolved unanimously*, That the association entered into the 22d of June, 1769, be strictly adhered to.

FOURTH, *Resolved unanimously*, *That those few persons* who stile themselves "the merchants and traders of Baltimore-Town," together with Mr. Jonathan Hudson, who brought and delivered their indecent and inconsistent message to this meeting, have by their conduct shewn a shameful disregard, as well to their own engagements as to the most sacred rights and liberties of America, and as far as lay in their power endeavoured to destroy that union and good faith so necessary at this, and at all times, for the safety and constitutional rights of these colonies.

FIFTH, *Resolved unanimously*, That if the merchants and traders of Baltimore-Town, or elsewhere, shall depart from the non-importation agreement, we will not (nor ought any other person, in our opinion, within this province) buy, take up, or receive any goods whatever from such of them who shall by any means break the association.

LASTLY, *Resolved unanimously*, That the above resolutions be printed in the Maryland Gazette and transmitted to the several colonies—And the people of America are hereby intreated and conjured, by all the sacred rights of freemen, to join as one man in the rejection of all foreign superfluities, until a total repeal of the injurious and oppressive revenue-act takes place.

PHILADELPHIA, NOVEMBER 1.

The Captains Sparks and Osborn from London, have brought no goods, except such as are allowed of by our *late* agreement, but have, on the contrary, brought near 10,000*l.* in CASH, the property of persons in this city: This being some of the golden fruits of the non-importation, it is hoped that the people of this continent will so far see their interest, as to manufacture whatever lays in their power, so that instead of sending millions to maintain our taskmakers in England, we may receive thousands from thence.

Earthquakes continue to be frequently felt at Port-au-Prince, where the houses that were rebuilding, have been thrown down. The unfortunate inhabitants are at present in huts, under the [illegible] apprehensions.

Sermons have been preached, and churches hung in mourning, on the melancholly occasion of the Rev. Mr. Whitefield's death, in this and other provinces.

NOVEMBER 5.

Mr. Isaac Collins, of the city of Burlington, is appointed Printer to the King's most excellent Majesty, for the province of New-Jersey, in the room of James Parker, Esq; deceased.

NOVEMBER 12.

The New-York papers mention the arrival of several vessels from England, laden with dry goods, and that they had reason to expect, in a few days, the arrival of 20 sail more with different sorts of European goods from the ports of London, Bristol, Liverpoole, and Hull.

There were, a day or two ago, in this harbour, 165 sail of vessels, 101 of which were square-rigged.

NEW-YORK, NOVEMBER 15.

On Saturday, from Philadelphia, came to town Capt. William Bedlow, lately from Jamaica, which he left the first of October, and reports, that on the 28th of September a vessel arrived there from Hispaniola, which brought advice that a plague was broke out there, at Leoganne, Port au Prince, and other places in the Bite. That the disorder was not brought from any infected place, but supposed to originate there, and to be occasioned by an unwholsome effluvia from the frequent eruptions and earthquakes, with which that place has been visited for some months past, and continued almost every day since. That soon after the people are taken, a boil rises under their arm, and they generally die in 18 hours.—That the General had retired from Port au Prince to the Platform, and that the French on the south side of the island, had posted troops to guard the passes and prevent communication with infected places.

On the above intelligence, depositions were taken before the county Lieutenant in Jamaica, and orders given to admit no vessel without examination, or quarantine. We hear there are orders for the like precaution in this place—Capt. Bedlow's deposition having been taken before the Mayor on Sunday last; and on Monday, Capt. John Baptisto Kan, in the sloop ——, having arrived from ——, in Hispaniola, was not admitted into the harbour, but is now performing quarantine at Bedlow's island, in the bay before the town.
